

The Lake District Green Lanes Alliance (LDGLA)

An alliance for everyone who wants to protect the historic green lanes of the Lake District for farming use and quiet, non-motorised, recreation.

With your membership you will help us safeguard the green lanes of the Lake District National Park and World Heritage Site. The LDGLA is staffed by volunteers; your contribution will go towards covering administration and publicity costs. As a member of the LDGLA you will receive periodic newsletters and invitations to LDGLA meetings and will have the opportunity to get involved directly in our work.

Our aims are:

To campaign for the prohibition of recreational motor vehicles on green lanes in the Lake District National Park:

- By arguing that recreational activities in the Lake District should be essentially quiet, non-destructive and non-polluting.
- By showing that recreational use of green lanes by 4x4s and motor bikes makes routes unpleasant or impossible for non-vehicle users and causes disruption, inconvenience and distress for farmers.
- By encouraging the Lake District National Park Authority and Cumbria County Council to use their powers to prohibit recreational motor vehicles through Traffic Regulation Orders (TROs). Programmes for the introduction of such orders should be energetically promoted.

Traffic Regulation Orders make exemptions for farmers and people with disabilities.
